

Shadow LF

Warm Taupe | SKU S-9474

Description

Shadow Light Filtering is designed to soften natural light while maintaining a comfortable level of privacy. It gently diffuses daylight to reduce glare and create a calm, inviting atmosphere throughout the space. With a smooth, modern appearance and a clean, understated finish, this fabric blends seamlessly into a wide range of interiors. Ideal for living areas, offices, and shared environments, Shadow Light Filtering offers balanced light control with a refined, contemporary feel.

Certifications

Care & maintenance

- **Regular dusting.** Dust with a microfiber cloth or vacuum with a brush attachment to prevent buildup.
- **Lint roller.** For quick touch-ups, use a lint roller to remove lint or small particles.
- **Avoid harsh chemicals.** No bleach, strong detergents, or abrasive tools; they can damage the fabric and color.
- **Loose threads.** Do not pull or tear frayed edges; trim carefully with scissors.
